SUBJECT: A Resolution of the Board of Directors of the Successor Agency to the Calexico Community Redevelopment Agency Reconfirming its March 15, 2016 Approval of the Bond Expenditure Agreement Between the Successor Agency to the Calexico Community Redevelopment Agency and the City of Calexico and Approving a Numerical Correction with Respect to Available Funding and Certain Related Actions

=====

Recommendation:

It is recommended that the Board of Directors adopt the attached resolution reconfirming its March 15, 2016 approval of the Bond Expenditure Agreement between the Successor Agency to the Calexico Community Redevelopment Agency and the City of Calexico and approving a numerical correction with respect to available funding and certain related actions.

Background:

Pursuant to Health and Safety Code ("HSC") § 34172 (a)(1), the Calexico Community Redevelopment Agency was dissolved on February 1, 2012. Consistent with the provisions of the HSC, the City Council of the City of Calexico previously elected to serve in the capacity of the Successor Agency. The Oversight Board for the Successor Agency ("Oversight Board") has been established pursuant to HSC § 34179 to assist in the wind-down of the dissolved redevelopment agency.

HSC § 34191.4 (c) allows a successor agency that has received a Finding of Completion (the "FOC") to use bond proceeds from bonds issued prior to 2011 and a percentage of proceeds from bonds issued between January 1, 2011 and June 27, 2011 for purposes for which the bonds were sold, provides that such proceeds in excess of amounts needed to satisfy approved enforceable obligations shall be expended in a manner consistent with the original bond

covenants, and further provides that such expenditures shall constitute excess bond proceeds (the "Excess Bond Proceeds") obligations that shall be listed separately on a successor agency's Recognized Obligation Payment Schedule (the "ROPS").

In addition, the HSC provides for a cooperative relationship between cities and their redevelopment agencies, as well as their successor agencies who have assumed the duties and obligations of the former redevelopment agencies. In that regard, HSC § 33220 authorizes a city to aid and cooperate in the planning, undertaking, construction, or operation of redevelopment projects. Moreover, HSC § 34178 (c) allows a successor agency and its sponsoring city to enter into agreements for the purpose of conducting the work of winding-down the former redevelopment agency as set forth in HSC § 34177.3 (b), subject to the obtaining the approval of its oversight board.

As a consequence of receiving its FOC on October 3, 2013, the Successor Agency may now utilize its Excess Bond Proceeds for their intended purposes. In furtherance of this, on March 15, 2016, the Successor Agency adopted Resolution No. 2016-02-SA and the City Council adopted Resolution No. 2016-03, which approved that certain Bond Expenditure Agreement between the Successor Agency and the City (the "Bond Expenditure Agreement"), setting forth the terms and limitations related to the City's use of the Excess. As originally reported in Resolution No. 2016-02-SA and in Resolution No. 2016-03, the Successor Agency had Excess Bond Proceeds in the amount of \$2,784,958 from the Community Redevelopment Agency of the City of Calexico Merged Central Business District and Residential Redevelopment Project Area Tax Allocation Bonds, Issue of 2003C (the "2003C TABs") and \$6,184,410 from the Community Redevelopment Agency of the City of Calexico Merged Central Business District and Residential Redevelopment Project Area Tax Allocation Bonds, Issue of 2011 (the "2011 TABs") that together total \$8,969,368 that are to be transferred to the City to facilitate the handling of proceeds of the TABs as more particularly provided described in the Bond Expenditure Agreement in conformity with the covenants applicable to each of the TAB issues. Subsequent to the adoption of the Resolutions it was discovered through a review of the City's general ledger that the amount of available funds from the 2003C TABs as of December 31, 2015 was \$2,582,892, rather than the originally estimated amount of \$2,784,958.

Although *de minimis*, the above noted minor variance was discovered prior to the Oversight Board's consideration of the Bond Expenditure Agreement, which the Oversight Board approved on April 7, 2016, inclusive of the correction related to the amount available from the 2003C TABs. Therefore, to ensure that the City's, Successor Agency's and the Oversight Board's approvals related to the Bond Expenditure Agreement are identical, it is recommended that the City Council and the Successor Agency reconfirm their approvals of the Bond Expenditure Agreement, attached hereto as Exhibit "A", inclusive of the correction related to the amount available from the 2003C TABs.

The Bond Expenditure Agreement shall only be effective subsequent to its approval by the California Department of Finance.

Fiscal Impact:

On May 17, 2016, DOF authorized the expenditure of \$2,860,296 of Excess Bond Proceeds, consisting of \$2,582,592 attributable to 2003C TABs and \$277,704 attributable to the 2011 TABs. Approval of the recommended action will ensure that the Excess Bond Proceeds are used for their intended purpose in an expeditious manner. The City Council will allocate those funds at a later date.
