

Prepare for El Niño with Free Sandbags

El Niño is bringing heavy rains, and in order to be prepared and to avoid flooding, pick up your free sandbags. Sandbags and sand are available to City of Calexico residents and businesses only! Unfilled sandbags (limit six) and sand (self-serve) are available at both Calexico Fire Stations located at:

Fire Station I
Fire Department Headquarters
430 E. Fifth Street
Calexico CA, 92231
(760) 768-2150

Fire Station II
900 Grant (Corner of Grant & Kloke)
Calexico CA, 92231
(760) 768-2155

There is a limit of 6 sandbags per household or business.

Sandbags will only be available when personnel are at the station. Should you arrive to find the crew is on an emergency call, you will have to return at a later time. Please call the station before you go for your sandbags.

Thank you,
Peter Mercado
Fire Chief
