## Recommendation:

Staff recommends City Council Members make appointments to the various commissions.

## Background:

In 2005, Council voted to change the way appointments were made to all City boards, commissions, and committees. The new ordinance states that the term of an appointee will run concurrently with the appointing councilmember's term, and the term of the appointee will automatically terminate at the time the election results are certified by the City. (Calexico Municipal Code section 2.19.050).

Pursuant to section 2.19.010, each councilmember will appoint one member to each board, commission or committee. No ratification/approval by the entire Council is required. All commissions, boards and committees are now composed of only five members with the exception of the Parks, Recreation, Beautification & Senior Services Commission which consists of seven members. Five of the members are appointed by the individual council members and two are appointed by a vote of the entire council. The criteria for an appointee to hold office is listed below:

To be eligible for, and to hold appointment, each appointee shall neither hold public office, or city employment, nor shall s/he be an officer of any local, state or national partisan official group. All members of commissions, boards and

**Attn: City Clerk's Office,**

This is to serve as my Letter of Interest to serve on the *Arts and Historical Commission at The City of Calexico*. With a Bachelor's Degree in Graphic Design and a Master's Degree in Digital Graphic Design, Art and History have always been areas of interest.

My position as an Associate Professor at UABC Universidad Autónoma de Baja California for 10 years, led me to become a Media Relations Coordinator for their Architecture and Design Faculty (UABC Facultad de Arquitectura y Diseño). I have taken several courses on Art History, Art, Photography, Architecture, Painting, among others.

When I started teaching I made Art History class into one fun, creative class giving it a current and innovative approach. Students were able to learn the theoretical aspect of history but besides tests, partial projects were an integral part of their evaluation. On these projects, students used their creativity to show what they learned through art installations, exhibits, performances, murals, photography among other kinds of art or forms of expression. I developed and worked in logistics for several projects linking the Faculty to our community. I consider very important for the students to understand diversity in all its aspects, that is why this particular projects involved working with Public Elementary Schools, Cycling community from Mexicali, Nonprofit organizations and other prospects that we were able to help by linking a project to their needs. I founded various Cultural and Educational events that got National recognition, such as conferences, art exhibits and workshops.

I served as a Board Member at the Imperial Valley LGBT Resource Center for one year and I am always looking for ways to incorporate art and creativity into all my projects. (e.g. I won a National contest with a Community Mural I painted in Calexico for H&M, art sessions, design at IV LGBT Resource Center, among other activities).

I am currently the Digital Media Production Specialist for El Centro Elementary School District and work closely with District leaders and department/schools to execute a concept through to completion.

I am creative, proactive and always willing to give more than expected; but most importantly I am very passionate about everything I do. I see beautiful sunny Calexico as a white canvas with so much potential, there is a lot that can be done. I not only want to bring ideas to the table, I also want to make them happen. I have been waiting for an opportunity like this at The City of Calexico, and I would be honored to be considered.

Thank you.

Respectfully yours,

**Alberto Martinez**

Gabriela T. Garcia  
City Clerk  
City of Calexico  
608 Heber Avenue  
Calexico, CA 92231

Dear Mrs. Garcia:

I am writing to express my strong interest in the vacant position on the Arts and Historical Commission, as listed on the City of Calexico's website. I am a visual artist with an extensive exhibition and curatorial history that currently teaches art at Imperial Valley College and SDSU-IV, where I am also the campus art gallery director.

My professional experience in the arts dates back to 2003, the year I obtained my MFA in Visual Arts. And even though I lived in Los Angeles for ten years after graduating, my artistic endeavors have always pointed back to the border region, more specifically, to Calexico and Mexicali, the cities where I was raised. In 2006, I co-founded the curatorial project MexiCali Biennial, a non-profit organization that has brought traditional art gallery exhibitions to local venues as well as public programming at the border, which highlights include a soccer match using the border fence as a midfield barrier (2010), and a vocal performance using two giant megaphones one on each side of the border fence (2019)- I worked with the Calexico Chamber of Commerce to secure the necessary permits for the realization of these two public events. In 2017, I was one of two artists in the Border Metamorphosis Binational Mural Committee that worked in the restoration and installation of the border fence segment placed at Rockwood Park, and in 2018, I collaborated with the city in "*Calexico: From the early years through the 1990's*", a historical photography exhibition that was part of the city's 110th anniversary events and that was hosted at Stepling Art Gallery, SDSU-IV, where I am director.

I am passionate about the arts and have a strong desire to see them thrive in the City of Calexico. I am highly motivated, ambitious, intensely focused and I believe my experience as an exhibiting artist, curator of exhibitions and public events, and art instructor of the future generations of artists make me the ideal candidate for this position.

I welcome the opportunity to discuss with you in person my ideas and qualifications. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Luis G. Hernandez', with a long horizontal flourish extending to the right.

I Roxsanna, am interested and appreciated that Councilwoman Gloria Romo has appointed me to become apart of the Arts & Historical Commission. I believe that the city of Calexico has created a unique culture for many years with beautiful displays of artistic murals that represent our community. My bachelor's degree is in Art education and I am currently finishing my master's in fine arts. In my spare moment in time, I enjoy painting with oils and acrylics as a hobby. I also love teaching students how to create art as well it is something different and productive for them to do especially during this pandemic.

I enjoy working with anything that consists of art, it is another way of showing the community what our city represents along with our history. As an educator and artist, I have always encouraged my peers and students to try their best. I would love to become a part of a committee that would love to bring the best of Calexico's culture, history, and art to represent stories that no other city possesses.

Thank You.

From:  
Jimmy Dorantes

Gabbie,

I grew up on First Street in Calexico and have been a photographer since a very young age. I worked at the Calexico Chronicle under Mr. Stepling, the publisher for four years. I then went on to work for the Imperial Valley Press for two and half years before moving on to work the Associated Press in San Diego. While earning my Bachelor of Arts degree in Photography at the University of New Mexico's College of Fine Arts, I became very interested in all the Fine Arts and art history. I have been on top of the latest information concerning photography and Documentary photography.

It is my goal to work at and serve at the Calexico Arts Council and Commission, to better educate and improve the arts programs of Calexico, where I got my own start. The Calexico Neighborhood House played a key role in my own development of my understanding of photography.

I would love to serve my city and give back to the people of Calexico in any capacity that I can. There is plenty of talent and gifted artists in my home town. I am very proud of being a Calexican.

Sincerely,

A handwritten signature in blue ink, consisting of stylized, overlapping loops and lines.

Hello, my name is Kimberly Maya.

I currently work with the Imperial County Office of Education as an AmeriCorps member tutoring elementary kids that are English Language Learners, help in an after school program and help serve in community work across the Imperial Valley.

I live in Calexico and I want to be on the library board because I care about safety in our community.

As someone who grew up in Calexico, did all my schooling here and was involved in our local library programs and currently am around kids virtually every weekday, I would be a good choice for this position.

I will also make sure that the right decisions are made to benefit each and every student in Calexico.

With my experience, I hope you will consider me for this position.

Cordially,

Kimberly Maya

**RE: *ADDENDUM TO APPLICATION FOR CITY COMMISSION &  
STATEMENT OF QUALIFICATION***

TO THE CITY CLERK

I am interested in applying for the City's Planning Commission, as a commissioner. I feel that I can contribute to the present and future planning of the City's welfare, with my overall experience as a former commissioner of the Police Advisory Commission, having served six and a half years along with numerous public city council hearing through the last two decades by sharing public comments that benefited our City's government and city employees as a whole.

I feel with my background in general management in self-employment as an immigration consultant for over 30 years plus 16 years working as a paralegal with two local attorneys, have kept me aware and educated in local, state and federal government laws, ordinances and bylaws, to enhance my knowledge in most fields of endeavor. I believe I would be an asset to the City of Calexico and its development, concerning its staff employees and census property evaluation.

For the reason(s) described herein, I humbly submitting my letter of interest as requested.

Sincerely,

Jose Alejos

  
Calexico Ca, 92231

To whom it may concern,

My name is Jose Alejos and I've been a citizen of the city of Calexico for the past 30 years. I am interested in being part of the city's planning commission.

Over the past few years I've been more in touch with our community and I feel that I have a good idea of what our community wants and needs. But any recommendation I give will be based on the citizens needs and what will benefit the city as a whole.

I believe my city, our city has so much potential and I truly want to be part of making Calexico the best it can be and being part of the planning commission gives me a chance to be part of Calexico's success.

I hope you take my applications into consideration,

Sincerely,

Jose Alejos

Letter of Intent: Calexico Planning Commission

Dear Calexico Council Members,

My name is Daniela Flores, a community and public health advocate and researcher. I am writing to formally express my interest in serving on the Calexico Planning Commission. I was raised in Calexico and have been a resident for 19 years.

As a public health professional and advocate, I have found myself serving my community in Calexico and around the Imperial Valley during the COVID-19 pandemic and response. As a collective founder of the Imperial Valley Equity & Justice Coalition (IVEJC), I serve as a volunteer community advocate for community empowerment, environmental justice, and health equity. In my capacity as a resident and IVEJC representative, I serve in the ad hoc committee tasked with developing the infrastructure for the Imperial County Health Equity Advisory Committee. I am also a member of the Imperial Valley Coalition for Community Health based out of Calexico, and a member of the City of Calexico's ad hoc COVID-19 committee. I believe my experiences that involve extensive community engagement makes me a resourceful candidate for the planning commission.

Moreover, my experiences with planning in my work as a Research Associate and educational background in public health which incorporates principles of planning, contribute to my preparation to meaningfully contribute as a member of the Planning commission. During my employment in multiple positions centering around community research, I've led evaluations of health and social programs and initiatives. My area of expertise is in initiatives addressing the social determinants of health, healthcare, and immigrant health. These social impact areas are prominent in my work in community research and evaluation consulting and have all involved elements of city and land-use planning in some capacity. Finally, I would appreciate your consideration as you look to fill the five vacancies in the Planning Commission, representing council member Gloria Romo.

Sincerely,

Daniela Flores

To Whom It May Concern,

I would be extremely interested to join the Calexico Police Advisory Commission. I always wanted to be a cop as a child and as I continued with my education, I knew that wasn't the route for me. But this position will allow me to put my expertise and knowledge in the critical thinking we need to help out our enforcers of the law. I strongly believe that having a diverse group of people is the only way we will reach new ideas. I have had my issues with the way the city and the police work their issues. I would love to be part of the problem solving that comes with this responsibility.

With appreciation,

Ismael Arvizu

RE: City of Calexico Police Advisory Commission

Dear City Clerk:

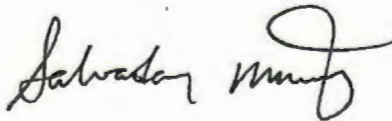

I would like to express my interest in serving on the City Police Advisory Commission. I have been a resident of the City of Calexico for all my life. I have served on the parks and recreation commission from 2016 to 2018 and served on the Police Advisory Commission from March 2019 to December 2020.

While on the Police Advisory Commission, I would work with the community to attend to any concerns that they would have and had it placed on our agenda. I believe it's very important to develop programs and strategies to promote positive police/community relations and provide the best service to our citizens of Calexico.

While on the police commission they were several items that were requested by our citizens that were taken care of immediately. Most of them were vehicles driving at a high rate of speed, stops signs that were requested at a couple of locations that were immediately attended to.

I would appreciate your consideration as you look to fill the current Police Advisory Commission vacancy.

Thank You,

Salvador Muñoz

City Clerk's Office  
City of Calexico  
608 Heber Avenue  
Calexico, CA 92231

Dear City Clerk,

My name is Johanna Espinoza and I am applying for the Parks, Recreation and Beautification and Senior Services Commission. I have been a resident of Calexico all 21 years of my life and I see so much potential in my city. I have a vision to beautify Calexico by organizing multiple community gardens and landscape designs with native plants. The overall goal of this project is to create spaces for the elderly and youth to enjoy the benefits of gardening and learn to grow their own food. Although we are an agricultural community, many citizens suffer from food insecurity and don't have access to fresh produce. This worries me and I want to help change this.

Another important goal of mine as part of this commission is to create a culture in which gardening provides healing to our community. The benefits of reconnecting with nature include both physical and mental wellness and all age groups can take advantage from this. We all have a connection with nature whether we are aware of it or not. It provides us with many essential things that make our society possible and that is why it is important to educate each other on maintaining a sustainable relationship with it. I look forward to being given the opportunity of helping my community as a member of the Parks, Recreation and Beautification and Senior Services Commission.

Thank you,

Johanna Espinoza

Dear City Clerk,

I hope you are staying safe, and I hope you are having a great day. My name is Angel De Dios, a Calexico resident, and I am interested in working Parks, Recreation, Beautification, and Senior Services Commission. I am a 16-year-old who has devoted themselves to help out the community. With my experience, I can provide a new outlook in the city and gain experience for the future. First, I am currently part of the executive board in multiple clubs. I am the Right-Hand committee president, a club committed to renovating Calexico High School through decisions on architecture, academics, etc.; I am a student representative in the Calexico High school Marching Band and a section leader; I am the class secretary for the class of 2022; the treasure of the Asian Pacific Youth Leadership; and I partake in several leadership roles in other clubs. In the political scene, I have been a part of Valle Vota. This youth-driven organization focused on improving the voter turn out in the valley. Furthermore, I am a co-founder of Familia Del Valle. This youth-driven organization aids the unhoused community through donations and collaboration with politicians.

Considering that I am also in the top 3 of my class; in other words, I am above my academics, I always seek to improve since I am still taking Imperial Valley College Courses through concurrent enrollment. Moreover, I believe this proves that I am responsible and qualified for this commission as a young one.

Happy Holidays! I hope you stay safe.

Best Regards, Angel De Dios

My name is Carmen Zuniga de Estrada and I am interested in being part of the park commission. I am qualified for this job because I have 8 years of experience in the park business; therefore, I would love to continue being part of this committee. During the time I was part of the committee; I brought in a light project for the 5th st andrade park at Calexico California, also a project including planting 125 trees around Calexico City. All trees remained except 5 of them. I also began a project that included installing sprinklers in the 5th st andrade, Rosas & Camila park, and Camila & Holdrich park. I have participated in various changes in the parks and we are about to finish restoring 5th st andrade parks' fences and restrooms. I would love to continue being part of the recreation committee because it is both my passion and my job. Thank you very much; I am eager to hear back from you.

To Whom It May Concern,

I would be honored to be part of the Calexico Personnel Commission. Sadly, Calexico has a lot of tranza going on in every place you look at. The people who get away with no business permit, also the \$7k that were "lost" from the animal shelter that was for a giant shade, or simply getting just slapped on the wrist for multiple occasions of reckless endangerment of the people. The point is that many people have been getting away with too many things. I believe that nepotism/compadrismo is still very strong in our town. If we can infiltrate those groups we can easily stop the wretchedness they have put Calexico in. I want to be part of the group that reminds them that no one is above the law.

Yours respectfully,

Ismael Arvizu
