SUBJECT: The City Council of the City of Calexico Acting in its Capacity as the Legislative Body for the Calexico Community Facilities District No. 2013-1 (Gran Plaza) Adopt Resolution authorizing the Levy of Special Taxes within Improvement Area No. 1 of such District for Fiscal Year 2024-25

=====

Recommendation:

That the City Council of the City of Calexico acting in its capacity as the legislative body for the City of Calexico Community Facilities District No. 2013-1 (Gran Plaza) Adopt Resolution authorizing the levy of special taxes within Improvement Area No. 1 of such district for Fiscal Year 2024-25.

Background:

Community Facilities District (CFD No. 2013-1 Gran Plaza) was formed in 2013 as a legally constituted government entity established under the Mello-Roos Community Facilities Act of 1982. The Act provides an alternative method for the financing of certain facilities and services. Specifically, this CFD is authorized to levy an annual special tax to pay, in whole or in part, the approved costs of the following:

- The administrative costs and other incidental expenses of the District;
- The interest scheduled for collection on the outstanding bonded indebtedness related to the District;
- The principal scheduled for collection on the outstanding term bonds related to the applicable Improvement Area;
- The sinking payments scheduled for collection on the outstanding term bonds relating to the applicable Improvement Area;
- Amounts, if any, needed to replenish the applicable Reserve Account of the Bond fund to the level of the Reserve Requirement; and
- Amounts, if any, required to bring the amount on deposit in the Rebate Fund to the required level.

The authorized services are funded through the annual levy and collection of special taxes from all the property subject to the tax and located within the Improvement Area No. 1 of the district.

Discussion & Analysis:

The special levy recommended in the report is the applied special tax rate under the current ordinance. Calculation of the Special Tax is performed annually by the District Rate Consultant. The calculation is documented in the District's Annual Report (Attachment 3).

The recommended levy for FY 2024-25 is \$153,046.18. This is a reduction from \$317,281.76 in the prior year. The levy for FY 2024-25 includes a one-time credit for prior year budget savings and interest earned by the district.

Fiscal Impact:

The Special Tax levy will provide revenue for the District's annual debt service and administrative requirements.
