# AGENDA STAFF REPORT

**DATE:** January 22, 2020

**TO:** Mayor and City Council

**APPROVED BY:** David B. Dale, City Manager *DN*

**PREPARED BY:** Lilliana Falomir, Public Works Manager *[Signature]*

**SUBJECT:** City Council Approve the following:

- a. Reject the Bid Submitted by EPIC Aviation LLC. and Ascent Aviation Group, Inc. as Nonresponsive for Failure to Meet Bid Requirements.
- b. Award Bid Proposal from Avfuel Corporation, as the Lowest Responsible Bidder Submitting a Responsive Bid for Jet-A and 100 Low Lead (LL) Avgas Aviation Fuel for Fiscal Year 2020-2023 for the Calexico International Airport.

=====

**Recommendation:**

It is recommended that the City Council approve the following:

- a. Reject the Bid Submitted by EPIC Aviation LLC. and Ascent Aviation Group, Inc. as Nonresponsive for Failure to Meet Bid Requirements.
- b. Award Bid Proposal from Avfuel Corporation, as the Lowest Responsible Bidder Submitting a Responsive Bid for Jet-A and 100 Low Lead (LL) Avgas Aviation Fuel for Fiscal Year 2020-2023 for the Calexico International Airport.

**Background:**

The Calexico International Airport is owned and operated by the City of Calexico. It is located at 801 W. 2nd Street, Calexico, California. The Airport site is comprised of approximately 305 acres of land; all situated within the City limits of Calexico. The Airport is open year round, 24 hours per day. Airport operations personnel are available from 8:00 a.m. to 5:00 p.m. daily and after hours on request. The United States Customs and Border Protection Inspectors are based at the Airport daily from 8:00 a.m. to 8:00 p.m. and are available upon request after hours. There is an average of 15 aircraft operations per day.

<p><b>AGENDA ITEM 18</b></p>
--------------------------------------

**Discussion & Analysis:**

On November 13, 2019, the City of Calexico Public Works Department requested bids from qualified vendors or firms for the furnishing of Aviation Fuel: 100 Load Lead (LL) Avgas and Jet-A for the Calexico International Airport. The contract proposal period is for three (3) years.

On December 5, 2019, the Office of the City Clerk received three (3) bids from the following vendors:

<u>Vendor</u>	<u>Jet-A</u>	<u>100LL</u>
1. Avfuel Corporation.	\$2.5361	\$3.5464
2. EPIC Aviation LLC.	\$2.4614	\$3.6106
3. Ascent Aviation Group, Inc.	\$2.6403	\$3.5891

After carefully reviewing the bids submitted, staff has determined that EPIC Aviation LLC. and Ascent Aviation Group, Inc. are nonresponsive due to the fact that they did not meet bid requirements. As part of the requirements, bidders were required to provide 0% processing fees on MasterCard and Visa, free windsocks, patches and books, and ability to provide fuel with next day service at no extra charge. EPIC Aviation LLC. and Ascent Aviation Group, Inc. did not meet the above-mentioned requirements; therefore, EPIC Aviation LLC. and Ascent Aviation Group, Inc. bids are considered nonresponsive.

Avfuel Corporation meets all the required guidelines specified in the Request for Bids. For this reason, staff is requesting that the City Council of the City of Calexico award bid proposal from Avfuel Corporation for Jet-A and 100 Low Lead (LL) Avgas for Fiscal Year 2020-2023 for the Calexico International Airport.

**Fiscal Impact:**

Airport Operating Fund Budgeted Item for FY 2019-2020.

Approximately 50,000 gallons of Jet-A and 50,000 gallons of 100 LL Avgas are sold per year during the three (3) year contract.

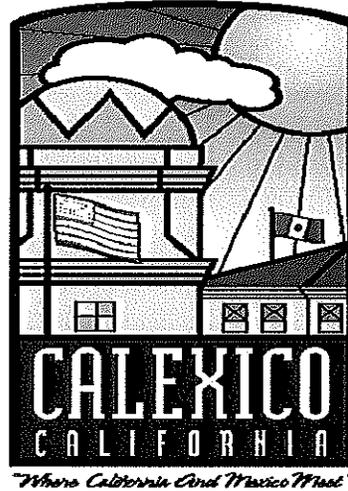

**Coordinated With:**

Public Works Department.  
Office of the City Clerk.

**Attachment:**

1. Request for Proposals (RFP) dated November 13, 2019
2. Tabulation Sheet.
3. Avfuel Corporation Bid.
4. EPIC Aviation LLC Bid.
5. Ascent Aviation Group, Inc. Bid.

There is an average of 15 aircraft operations per day

**III. MINIMUM REQUIREMENTS**

To be considered for selection as the Fuel Supplier, proposers should possess the following Minimum Qualifications:

- a. Proposer must be a supplier of both Jet A and Avgas meeting standards established from time to time by the Federal Aviation Administration and by manufacturers of the aircraft routinely operated in the United States.
- b. Proposer must be able to supply the Airport with its requirements for aviation fuels for three (3) years.
- c. Proposer must be a full-service general aviation marketer who provides marketing support, including a nationally recognized brand identity.
- d. Proposer must agree to indemnify the City of Calexico from loss arising from damage to property and injury to or death of persons arising from a failure of the quality of its products delivered to the Airport.
- e. Proposer must have in place a quality control program that meets or exceeds regulatory and industry standards.
- f. Proposer must have in place a customer service program that includes:
  - i. a representative that can answer fueling and quality control questions and provide support in a timely manner;

- ii. experience with FAA regulations required to support the Airport's requirements for FAA certification;
  - iii. a credit card program that utilizes standard POS equipment for use by the Airport in the Airport office. The POS system must be capable of electronically processing the following cards with moneys returned to the Airport electronically: supplier's credit card, Master Card, Visa, American Express, AvCard, Multi-Service Card, Discover, and others;
  - iv. options to participate in advertising programs for promotion of the Airport and fuel sales;
  - v. provision and installation of brand identification as approved by the Airport; and,
  - vi. an account manager whose total interest and function is aviation related.
- g. Also, the successful proposer shall be required to outlay any and all startup costs related to the commencement of service to the Airport.
  - h. Bidder will be required to obtain a City of Calexico Business License once bid is awarded.
  - i. The City shall not be obligated to accept any bid and the City shall reserve the sole right to determine the appropriateness of any bid for this work.

#### **IV. SUBMISSION OF BID**
