=====

Recommendation:

Adopt a Resolution of the City Council of the City of Calexico, California Declaring Out of Service Vehicles and Miscellaneous Equipment as Surplus and Authorize the Sale or Disposal of the Items.

Background:

The Public Works Yard and City Hall are currently storing several inoperable vehicles and other pieces of outdated or equipment that is no longer operational or are non-complaint with state code(s). It is estimated that these vehicles and/or equipment have little commercial resale value.

Discussion & Analysis:

Public Works Staff is requesting that the City Council of the City of Calexico declare out of service vehicles and miscellaneous equipment as surplus and allow these items to be sold as is. In addition, Public Works Staff is also requesting to dispose of several vehicles that have been seized by the Calexico Police Department and are currently located at the City's Public Works Yard. The seized vehicles cannot be sold; it is required that these vehicles be crushed by a certified dismantler company.

Fiscal Impact:

Any proceeds from the sale will be revenue to the General Fund.

Coordinated With:

Finance, Police, Fire and Public Works Department.
