The hearing shall be held within one month after the request for hearing, which request must be made within fifteen (15) days after notice of the suspension. The Administrative Hearing Officer or his designee is authorized to set aside the suspension, or to modify the suspension by limiting its effect to only one or more days, or by setting aside the forfeiture of priority status for future years. The decision of the Administrative Hearing Officer or his/her designee shall be final.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(i).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. This does not apply, however, if you make or have made a timely election under section 3121(w) of the Code to be exempt from such tax. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the

Letter 947 (DO/CG)

CHRIST COMMUNITY CHURCH OF IMPERIAL

part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

The law requires you to make your annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your exemption application, any supporting documents and this exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are made widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

- (c) No person shall sell any fireworks in the City other than safe and sane fireworks, except during the hours of 12:00 p.m. noon to 10:00 p.m. on June 28, and from 9:00 a.m. to 10:00 p.m. on June 29 through and including July 4. No person shall sell fireworks within the City limits without having first obtained a permit from the City to do so, as provided in Chapter 15.24 of the Calexico Municipal Code, and then only upon the terms and conditions specified in the granting of such permit. No person less than 18 years of age may sell, purchase, possess, use, or discharge "safe and sane fireworks."
- (d) No holder of a permit shall sell or distribute any type of fireworks which fall within the State Fire Marshal's definition of a "flare" or "California candle."

- (h) All fireworks stands shall be pre-assembled metal stands only with no more than 256 square feet. All fireworks stands will be pre-wired for interior and exterior lighting. All stands will have attached metal floors to enhance security and waterproofing.
- (i) Every fireworks stand shall be equipped with signs bearing the words "No Smoking" in red lettering at least four inches in height. Such signs shall be visible to every person working in the stand and every customer while being served.
- (j) All electrical must be conduits. The breaker boxes will be GFI breakers. The manufacturer must have installed all wiring. Absolutely no wiring allowed at the stand site.

- (t) The decision of the Fire Chief or his designee to suspend the permit of any permittee shall be subject to review by the Administrative Hearing Officer, forthwith. In view of the limited sales period each year, for suspensions affecting such sale period, a hearing shall be held at the earliest possible time that the permittee, the Administrative Hearing Officer or his designee, and the Fire Chief or his representative can schedule a meeting for such review for suspensions after the sale period. The hearing shall be held within one month after the request for hearing, which request must be made within fifteen (15) days after notice of the suspension.
