Dear City Clerk,

My name is Consuelo Camacho. I am a second-grade teacher at Blanche Charles Elementary. As a teacher, I value the services that libraries have to offer our students and community. I have benefited from the different programs the Kiki Camarena Library has offered me throughout the years as a student, a mother and a teacher. Now, as a teacher, I would like to give back to our library by offering my time and service to the Kiki Camarena Library. Therefore, I am attaching an application and would like to be considered for the position of library board of trustees. I feel I can make a significant contribution to this institution. The library and my community are very important to me. I am passionate about instilling the love of reading in children. I firmly believe that the library is a great way to bring communities together and a safe place for our children to grow. I feel all students should equal accessibility to a library. Unfortunately, the school where I work is on the west side of Calexico, making it difficult for some of our students to have access to Kiki Camarena library. For that reason, I wish to be a link between the Kiki Camarena library and the west side of town. In this way, I hope to help my students get access to all of the amazing services Kiki Camarena Library has to offer. It would be a great honor for me to be part of the library board of trustees and serve, to the best of my ability, not only Kiki Camarena library, but the children of Calexico as well.

Best Regards,  
Consuelo Camacho
