Legal assistance for you and your family
Aetna Resources For Living℠

Many people avoid the legal system. They may fear it's too complicated or it'll cost too much. Yet many common issues around marriage, divorce, custody, child support and more can become legal matters. If you're faced with a legal issue, you don't have to go it alone.

Affordable legal help

Your legal assistance benefit provides one free initial 30-minute office or phone consultation with a network attorney per separate legal matter.* If you decide to continue working with the attorney, you can get a reduced rate.

Easy access

Simply call us to request a consultation. We'll talk to you about your situation and refer you to an experienced network attorney. And we'll check in with you again to make sure you're satisfied.

*Employees, spouses and dependent children up to age 26 (either in school or living in the same household) are eligible for the basic legal benefits.
