

CALEXICO *California*
WHERE CALIFORNIA AND MEXICO MEET

PRESS RELEASE

Support for Firefighting Efforts in Los Angeles County

The City of Calexico is proud to support the ongoing firefighting efforts in Los Angeles County through collaboration and regional partnership. At the request of the Office of Emergency Services (OES), the Calexico Fire Department will be deploying a Spanish-speaking driver to assist with the coordination between local crews and our counterparts from Mexico.

This deployment is a testament to the unity and shared commitment of our region to address emergencies and protect lives and property. Together with the Imperial County Fire Department and other agencies, we are ensuring that resources and expertise are effectively deployed to combat the fires and assist affected communities.

The City of Calexico values the dedication and bravery of all individuals involved in these efforts. We stand ready to contribute to this important mission and will continue to provide updates as they become available.

For questions or additional information, please feel free to contact our offices directly.

Respectfully,

Juan A Contreras

Acting City Manager/Acting Fire Chief

City of Calexico
